

YRQ 25 – TRACKER INSTRUCTIONS TO TEAMS

(1) **Trackers/Teams.** There is to be a minimum of one SPOT or Garmin tracker per team. The tracker is to be worn on the left shoulder of one of the team members, facing outwards.

(2) **Set-Up Trackers and Feeds.** Teams should set their trackers to report every 10 minutes. SPOT users should create an XML feed, associate it with the device and set as 'active'; GARMIN users should switch MapShare on. Details are in the following pages. Settings are:

SPOT	GARMIN
(a) Tracking - 10 minutes	(a) Tracking – 10 minutes
(b) S.O.S. Test Mode - Disabled	(b) MapShare - On
(c) Movement Alerts - Disabled	(c) MapShare Settings – Show waypoints created in the field on MapShare
(d) Dock Mode - Disabled	(d) Visibility - Public

(3) **Submit Details.** Teams should submit the following details for their tracker to 'mark@teammmap.net' by Thu 1 May 25 at the latest:

SPOT	GARMIN
(a) Team Bib - <i>As given</i>	(a) Team Bib - <i>As given</i>
(b) XML Feed ID - Looks like: 0b3aoJKWYDIGEbeYLaMLM6q2tMIId5Tp4	(b) MapShare Link - Looks like: share.garmin.com/FBQ94

(4) **Tracker Testing.** We are happy to start testing for teams from 1 May 25. Clearly we will need the details submitted before then. Once fully tested an email message will be received from 'mark@teammmap.net' confirming success and suggesting switch off. It would be ideal if teams could conduct testing 'on water'.

(5) **Tracker In-Country Testing.** Trackers should be switched-on on arrival in Yukon or from Mon 23 Jun 25, whichever is the later.

(6) **Tracker Batteries.** Only use lithium ion batteries and carry one spare new set, or ability to re-charge device as appropriate.

(7) **Help.** Please don't hesitate to ask for assistance from 'mark@teammmap.net' '+44-7733-282209'.

YRQ 25 GARMIN TRACKER Set-Up Instructions Overview

- (1) **ACCOUNT** - Set-Up Garmin account at: https://sso.garmin.com/portal/sso/en-GB/create-account?clientId=INREACH_EXPLORE_PROD&service=https://explore.garmin.com/Account/LogOnSSO?returnUrl=/ and log in with registered email address and password.
- (2) **DEVICE** – purchase Garmin device and add to account.
- (3) **SETTINGS** – adjust device settings in the App or on the Device.
- (4) **MAP SHARE**– Set-Up MapShare ID and copy to mark@teammmap.net (App and Browser instructions provided).
- (5) **PLAN** – purchase the appropriate plan and activate/associate with your device.
- (6) **OPERATE** – operate your tracker.

(2.1) Go to: <https://explore.garmin.com/Home/Index> and log in with your Garmin account and password.

Welcome to Explore

Plan your trip and review past trips from the larger screen of your computer. Data from the website is automatically synced with the Garmin Explore and Earthmate apps.

- Create and manage routes, waypoints and collections.
- Share routes with others through the import and export tools.
- View and analyse details from your past recorded activities.
- Save your data with unlimited cloud storage of routes and activities.

Add an Explore compatible device to start planning your next adventure.

(4.5) Click on 'MapShare Settings' and set as shown in pop-up window and 'Save changes' **Note: NO PASSWORD!**

YRQ 25 GARMIN (4) MapShare (App)

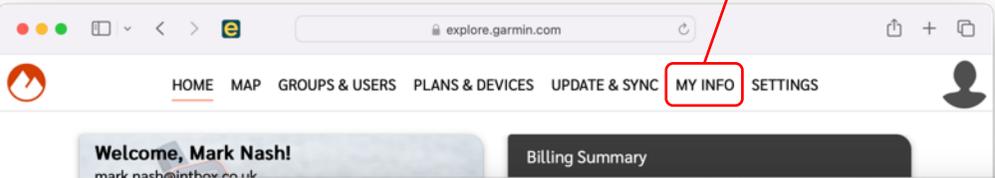

YRQ 25 GARMIN (4) MapShare (App)

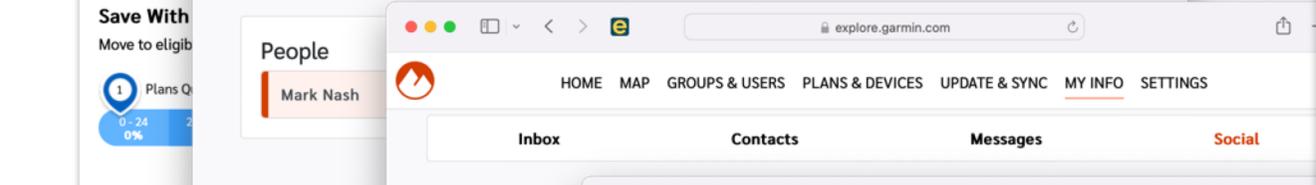

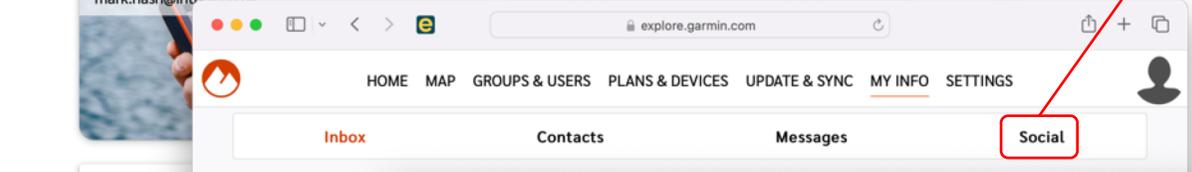

**YRQ 25
GARMIN
(4) MapShare (Browser)**

(4.1) Go to: <https://explore.garmin.com/Home/Index> and log in with your Garmin account and password.

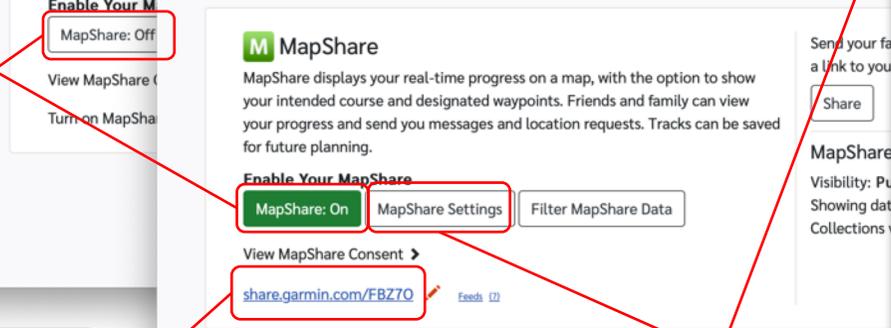

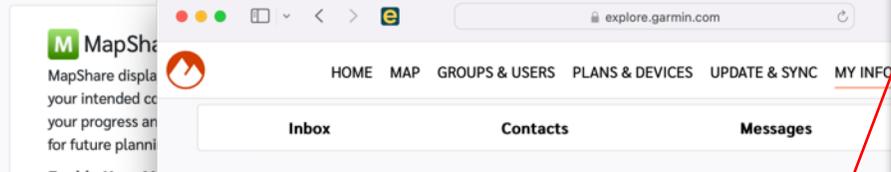

(4.2) Select 'MY INFO'.

(4.3) Select 'Social'.

(4.4) Click on 'MapShare: Off' toggle button and observe change to green and 'MapShare: On'.

MapShare Settings

Name (Optional)
Name

Description (Optional)
Description
The name and description are visible when friends and family visit your MapShare page.
TIP: Update these to reflect your current trip.

Password (Optional But Recommended)
Password
Setting a password allows only viewers you know to see your MapShare page.
TIP: Changing passwords lets you have different viewers on different trips. Clear the password field to remove password protection.

Allow map viewers to send you messages.
These messages will use your monthly allotment.

Allow map viewers to locate you.
Viewers can request your location, even if you aren't otherwise sharing your location.

Show waypoints created in the field on MapShare.
Waypoints created on a device will be sent to MapShare.

Cancel Save changes

(4.6) Right click and copy link, send to mark@teammmap.net with Team Bib Number.

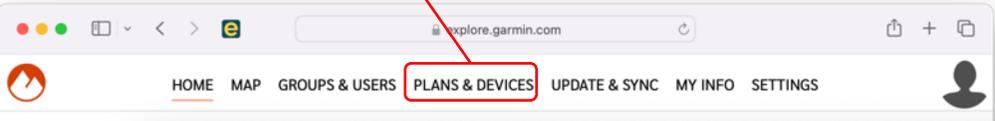

(4.5) Click on 'MapShare Settings' and set as shown in pop-up window and 'Save changes' **Note: NO PASSWORD!**

(5.1) Go to: <https://explore.garmin.com/Home/Index> and log in with your Garmin account and password.

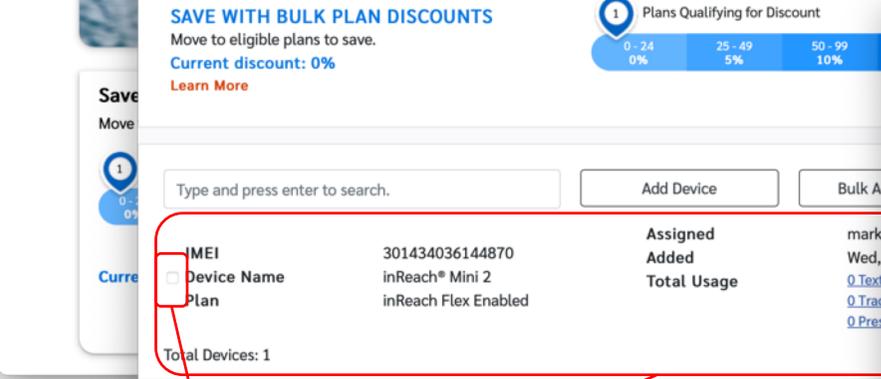

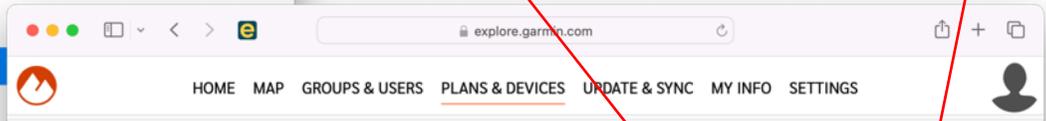

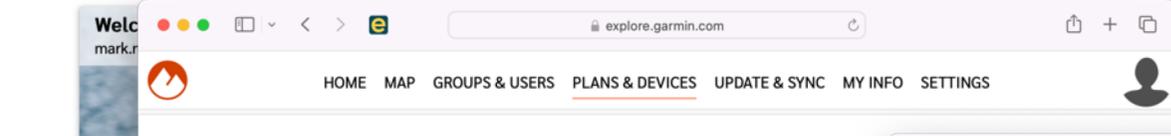

YRQ 25 GARMIN (5) PLAN

(5.2) Select 'PLANS & DEVICES'.

(5.4) Click on 'Bulk Actions' to reveal menu.

(5.5) Click on 'Change Plan or Suspend' (may also read 'Activate Plan').

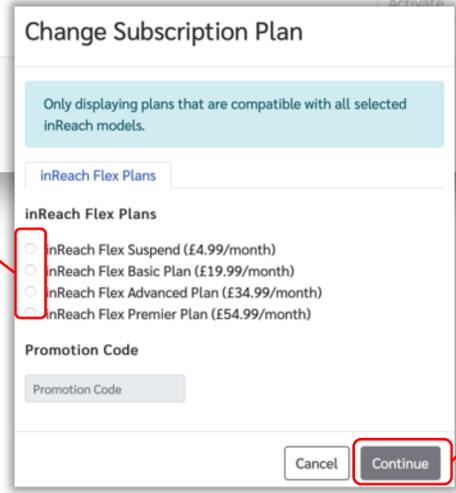

Devices and Plans are shown here.

(5.3) Click here to select device.

(5.6) Tick required Plan to select.

Plan selection is an individual matter depending on needs beyond YRQ 25. If only for YRQ 25 'Standard' or 'Pro Advanced' plans will minimise costs if only one month is paid for.

(5.7) Click on 'Continue' and make payment.
